PROFESSIONAL EXPERIENCE

HEAD OF MARKETING (PART-TIME) | **Steward** | Remote

May 2026 – Present

- Developed and delivered investor pitch decks for 10+ fundraising calls, translating market and product data into a compelling narrative that supported the founder's capital-raising strategy.
- Designed a structured beta-testing methodology spanning 3 age groups and ~10 localities to capture cross-demographic user feedback, translating findings into a prioritized engineering roadmap.
- Established analytics tracking framework (Instagram Insights + Spreadsheet modelling) to measure reach, engagement, and the conversion funnel from profile visits to beta app downloads, guiding channel strategy.

DATA ANALYST AND MARKETING INTERN | **Sonic Automotive** | Charlotte, NC

May 2025– July 2025

- Analyzed inventory data across 15+ U.S. regions identifying trends and building models improving allocation efficiency.
- Led UX research with 40+ participants, translating findings into recommendations that increased test-drive bookings by 18%.
- Synthesized findings into weekly reports for senior stakeholders, directly informing 3+ major business and UX decisions.

RESEARCH ANALYST INTERN | **We Founder Circle — A Venture Capital Firm** | Mumbai, India

May 2024 – July 2024

- Sized and ranked 20+ early-stage investment opportunities by ROI potential, building an evaluation framework that informed \$2M+ in portfolio decisions.
- Authored investment memos assessing 7+ opportunities across 5 industries, benchmarking KPIs (revenue, market size, growth trajectory) and partnering with cross-functional teams to structure the timeline for prospective investments.

ANALYTICAL PROJECTS

STATISTICAL ANALYSIS PORTFOLIO | **WFU MSBA Course Work** | Winston-Salem, NC

August 2026

- Built a statistics project (descriptive stats, probability, inference, regression) on GitHub with a maintained decision log.
- Applied probability, hypothesis testing, and regression to a real dataset; published a portfolio-ready repository.

TEAM LEAD | **KPMG Consulting Case Competition** | Winston-Salem, NC

March 2024

- Led a team through a case framework to resolve digital accessibility challenges facing underbanked populations in U.S.
- Developed 10 actionable recommendations and presented findings to industry professionals, placing 2nd out of ~30 teams.
